COMMISSIONERS' REPORT.

TO THE CITIZENS OF STRAFFORD COUNTY:

In compliance with the laws of the State of New Hampshire your commissioners present for your consideration, their report for the fiscal year ending December 31, 1910, together with a statement of the financial condition of the county at the end of the year, and the reports of the other county officers. Attention is called to these reports for detailed information regarding the work done in these several departments.

CONNTY FARM.

The almshouse and house of correction have continued under the able management of Mr. and Mrs. Edward A. Willand as superintendent and matron. Their long experience and natural fitness for these positions, have made their services of special value to the county and their faithful work has received such favorable comment that no words of ours need be added.

Many repairs in and around the buildings, and various improvements have been made from time to time, including a considerable amount of carpenter work, inside and outside painting, and new plumbing. A great amount of labor has been expended to clear and improve the pasture land in front of the buildings, resulting in a more pleasing outlook, and a larger acreage suitable for cultivation.

This work has been done largely by prisoners under the supervision of the farm foreman.

The stock at the farm has been improved and is now giving excellent returns.

The crops were exceptionally good for such an exceedingly dry season, for an accurate account of which we refer you to the report of the superintendent on another page.

COUNTY POOR AWAY FROM FARM.

Under this head is included soldiers and the county poor who are aided in their homes rather than at the farm and in most cases are people who have children to support. To properly care for this class requires much time and attention and results are not always satisfactory even then. Each application must be carefully investigated and disposed of as circumstances seem to warrant. The expense in this department during the year has been considerably less than for several years past.

Report of Superintendent of Strafford County Farm and House of Correction.

DOVER, N. H., JANUARY 1, 1911.

TO THE BOARD OF COUNTY COMMISSIONERS:—

GENTLEMEN:—In appreciation of the pleasant relations which have existed in our work during the past year, and for your hearty support and generous counsel, I tender you my sincere thanks. All associated with me in the work, our Chaplain, the Rev. Mr. Cummings; the County Physician, Dr. John L. Sweeney; and all employees at the farm, have accepted and discharged all duties willingly and faithfully and I gratefully acknowledge their assistance. To all individuals, clubs, and charitable organizations, who have visited our inmates bringing words of cheer and comfort, or have distributed delicacies and other gifts, I hereby extend my thanks.

It seems urgent that the attention of the citizens of the County should be brought to the fact that our institution is sorely in need of a better equipment for the proper care of the sick, who are coming to us in largely increasing numbers; and the question of establishing a suitable hospital in connection with our institution is well worth thoughtful consideration.

Respectfully submitted,

EDWARD A. WILLAND.

REPORT OF PHYSICIAN.

TO THE COMMISSIONERS OF STRAFFORD COUNTY:—

GENTLEMEN:—I submit my report as County Physician for the year ending Dec. 31, 1910.

The number of acute cases treated was greatly in excess of the year previous and in a large percentage the prognosis was had on admission. I wish to thank the nurses for their faithfulness in the performance of their duties and Superintendent and Mrs. Willand for their invaluable assistance. To you, gentlemen, I am indebted for your encouragement and your liberality when increased expenditure was necessary for the proper care of the sick.

There were five births and twenty-five deaths.

Physician to Strafford County Farm.

TO THE COMMISSIONERS OF STRAFFORD COUNTY:—

REPORT OF CHAPLAIN.

TO THE CITIZENS AND COMMISSIONERS OF STRAFFORD COUNTY, N. H. :—

In making this my second report, I have but the kindest words for those under whom I have served. The year has been filled with rich experiences of helpfulness and Christian consolation to the sick and afflicted, so many of whom are in your institution.

The kind and courteous treatment by the Commissioners; the brotherly kindness and fellowship of Mr. and Mrs. Willand, your superintendents; their appreciative words of my efforts to carry Christian joy and cheer to the inmates; the hearty cooperation of the nurse and all connected with the Institution; together with the friends who have assisted in the religious service, have made the efforts of your chaplain much lighter and pleasanter than might have been otherwise. I want to publicly thank those I have mentioned for their kindness and hearty assistance.

I also want to thank all who have in any way contributed literature, and assure them that it has been a blessing and called fourth many a hearty, "God bless you."

Respectfully,

EDWARD W. CUMMINGS, Chaplain.
